HELLO

I'm Yenny ♥

I'm a Colombian watercolor painter living in Austria. I'm a creative adult whose inner child has survived!

## What exactly do I do?

I put on paper whatever you want.  
*Painting art, Souvenirs, Cards, Bookmarks, and Painting/Decoration for Children's Rooms.*  
I also give painting lessons.

## My technique

I try to capture happiness in many colors. Life itself is majestic, that's why I try to capture my feelings in every piece I paint, because the most important thing for me is to make it with love and enjoy the process, so that you are happy with the result ♥

I have to look at the size and effort I put into the painting. So prices go in this range:

- ♥ **A6** - 10 x 15 cm. **25 ~ 30 EUR**
- ♥ **A4** - 21 x 30 cm. **60 ~ 90 EUR**
- ♥ **A3** - 30 x 42 cm. **90 ~ 140 EUR**

# Watercolor Workshops

## What will you learn?

Workshops are available for children or adults and usually last about **2 hours**. These workshops are inspiring, real and for everyone, regardless of your drawing "level".

You will learn about the material, basic knowledge and techniques. Also, *if you have a goal in mind, feel free to share it with me, we focus on it in the class* ♡

You must buy the materials yourself, I will tell you what we need. *The idea is that you keep practicing at home and then we can do another class again!*

♥ Individuals **(20 EUR per hr)**

### TYPES

♥ Group **(30 EUR per person - 2 hr)**

Currently I offer the individual workshops in **Salzburg**, but group workshops can be arranged in other cities in Austria.

So if you gather several people, at least 10, contact me! :)

**Book your private lesson with me and let's start coloring the world!!** 🥰
